**Re: Sole Source Provider Confirmation - Lumedx**

---

Dear Sir or Madam,

This letter is to confirm that LUMEDX, an Intelera affiliate, is the sole source provider for support and maintenance for the Apollo cardiovascular information system. It is developed and distribute exclusively by LUMEDX, an Intelera affiliate.

Additionally, competition is precluded by the existence of a copyright on our database system. A closely guarded process for database design and construction is also utilized which is unique to the system. No product on the market utilizes the same innovative design or functionality that the design allows in the product.

There are no other like items or products available for the purchase that would server the same unique purpose or functions and there is only one price for the above-named items or products because of exclusive distribution or marketing rights.

If you desire additional information, do not hesitate to contact me.
